I have read and understood the safety and operating conditions listed below.

Safety and Operating Conditions

- LSVs are not equipped with safety features customarily found in passenger vehicles.
- A fully licensed driver (A, B, C, D, E, F or G) may operate an LSV on Ontario roads with a posted speed limit up to a maximum of 50 km/h on:
 - Pelee Island, within university/college campuses, and to cross directly between private properties if the LSV's compliance label bears the notation "ONT-LSV-BASIC" or "ONT-LSV-5CMVSS", or;
 - Province-wide if the LSV's compliance label bears the notation "ONT-LSV-5CMVSS"
 - A traffic control device must be present before a low-speed vehicle may directly cross a higher speed road with a speed limit greater than 50 km/h and up to 80 km/h (LSVs travelling between private properties may directly cross a higher speed road up to 60 km/h without a traffic control device).
- The buyer or lessee is responsible for confirming the vehicle's safety features with the manufacturer/seller before proceeding with any purchase, lease, or rental.
- The use of LSVs on public roads may not be permitted after December 31, 2014.
- LSVs must display a slow moving vehicle sign.
- LSVs must be registered and plated to operate on Ontario's roads. Drivers and passengers must obey all pertinent laws.
- LSV operators must have the same insurance coverage as for a regular passenger vehicle.
- It is an offence to:
 - carry any combustible fuel on or in the vehicle.
 - carry a passenger under eight years of age.
 - carry more occupants than the number of seating positions in the vehicle, or more than 4 occupants, whichever is less.
 - modify the vehicle to reach a maximum driving speed faster than 40 km/h.
 - tow another vehicle or device.
