

Enquiries: 1 866 ONT-TAXS (1 866 668-8297)
 1 800 263-7776 Teletypewriter (TTY)

This package contains the required application forms to apply for a TEU refund.

Please follow the instructions carefully. If you are completing the forms by hand the information you enter must be contained within the box or space provided.

If this is your first claim please contact the Ministry of Finance at 1 866 – ONT-TAXS (1 866 668-8297) to obtain your identification number. Complete the Application for Refund online, please contact the Ministry of Finance if you require assistance.

1. Complete the upper portion of the Application for Refund - Summary Page 2

Enter your **Legal Name**, **Identification Number** (9 digit identification number), and **Mailing Address**. Select the **Product type**. Complete a separate refund application for each **Product Type**. Select a **Schedule**. Only one schedule can be selected.

2. Complete the Application for Refund - Schedule

Complete the corresponding schedule calculation page.
 For detailed instructions refer to the **Guide for Completing the Application for Refund and Summary and Schedule** available at the ontario.ca/finance link displayed on the refund schedule.

3. Complete the Current Claim Calculation (A)

Your refund is based on the actual tax paid per litre at the rate in effect at the time of purchase.

4. Complete the Previous Claim Adjustment Calculation (B)

Use this section to adjust your previous refund claim for which you have already received payment. Adjustments must be made within four years.

5. Complete the lower portion of the Application for Refund - Summary Page 2

Enter the Summary information A to E. Refund claim amount (\$) C, D, E totals are transferred when application is completed online.

- The 'From' date of a claim period is the date of the earliest invoice that is being submitted by you with the Application for Refund.
- The 'To' date of a claim period is the date of the latest invoice that is being submitted by you with the Application for Refund.

6. Complete Application for Refund - Certification Page 2

Enter the Name, Title and Telephone number for the authorized individual. Select the 'Print Completed Package' to print the Application for Refund. Sign and date the Application for Refund. Assemble the completed Application for Refund Summary and Schedule and all supporting documentation (receipts, etc.). Maintain one copy for your records. Mail the completed Application for Refund package to the ministry at the address shown above.

Note: For each tax rate change complete a separate Application for Refund.

Certification

Please ensure that an authorized person signs the application. It is an offence to make a false statement in an application. I certify that the information in this application is, to the best of my knowledge, true, correct and complete. I certify that the tax under the *Gasoline / Fuel / Tobacco Tax Act* as applicable, has been paid in respect of the product for which this refund is claimed.

Name	Title	Telephone	Signature	Date

Warning Penalties may be imposed if an applicant for a refund has misrepresented a material fact on or in connection with an application for refund or in an invoice supporting the application. Charges may be laid and fines result, where a person obtains or attempts to obtain a refund by deceit, falsehood or any fraudulent means.

This application and any refund payment are subject to audit by the Ministry of Revenue.
