

Form 2 – Applicant Report

Pursuant to the *Mandatory Blood Testing Act, 2006*
and O. Reg. 449/07

TO BE COMPLETED BY THE APPLICANT

You may submit an application if:

- you came into contact with a bodily substance of another person and want to have their blood analysed for HIV/AIDS, Hepatitis B or Hepatitis C; and
- You came into contact with the bodily substance as a result of being a victim of crime; while providing emergency health care services or emergency first aid; or you fall under one of the prescribed classes or circumstances (see section C).

You must deliver one copy of this form, together with a completed Form 1 – Physician Report to the Medical Officer of Health in the appropriate health unit¹. The application must be received by the Medical Officer of Health **no more than seven days** after you came into contact with the bodily substance (if the deadline falls on a Saturday, Sunday or holiday, it shall be extended by one day).

If you submit an application under the *Mandatory Blood Testing Act, 2006*, you must consent to:

- (a) The disclosure of the personal information and personal health information related to the application to the Consent and Capacity Board, if there is a hearing.
- (b) Examination, counselling (including counselling respecting prophylaxis or treatment), and baseline testing for HIV/AIDS, Hepatitis B and Hepatitis C.

- (c) The release by the police of any information from the police report to the Consent and Capacity Board (where an application is made as a victim of crime), in the event that the application is referred to the Board.

If the form is not filled out completely or you fail to meet the prescribed requirements, the application shall not proceed. You will be notified within two days of this fact by the Medical Officer of Health by registered mail.

If your application meets the requirements, the Medical Officer of Health will disclose the details of the occurrence, as described in this report and the physician report, to the respondent (the Medical Officer of Health shall not reveal your personal information).

If the respondent does not comply with a request for voluntary compliance and provide proof of such compliance, your application will be referred to the Consent and Capacity Board for a hearing. Hearings before the Consent and Capacity Board are public.

You must ensure that a valid copy of your baseline testing is submitted to the Consent and Capacity Board as soon as the results are available. The Consent and Capacity Board may be reached via fax at 416-327-4207 or 1-866-777-7273. Keep one completed copy of this form and one completed copy of the physician report for your own records.

A. Applicant Information

Collection, use and disclosure of the personal information on this form is for consideration of an application under the *Mandatory Blood Testing Act, 2006* requiring a respondent to give a blood sample to determine the HIV/AIDS, Hepatitis B and/or Hepatitis C status of the respondent. The authority for collection and use of this information is the *Mandatory Blood Testing Act, 2006*. For information about collection practices contact the Policy Development and Coordination Branch, Ministry of Community Safety and Correctional Services at 416-212-4221.
